

Dear TAGA members and guests,

It gives me great pleasure to welcome you all to the Annual General Body Meeting 2007 of TAGA on this virtual platform. We all should be proud that we are all part of the great TKMCE Alumni Community.

While taking over as Chair Person of TAGA, I had promised that we would like to dedicate our efforts in developing closer ties with peer associations of TKMCE alumni and thus help develop an environment of goodwill. I admit that we could not achieve much on this regard, as explained by our General Secretary in our forums.

TAGA had some exciting plans to contribute to the students, faculty and the institution during the past year, due to the above unfortunate situation prevailing, our activities related to the campus were, for the most part, limited to distribution of scholarships and sponsorships from the funds donated by TAGA members. We were also able to help a few students with placement.

I hope Mr. Mathew Daniel, the incoming Chair Person, will be able to create a wave of change on this regard, since he has very cordial relations with the Management as well as Staff, and has already initiated steps in this direction, results of which are encouraging.

I am happy to inform you that on behalf of TAGA, I was authorized to deliver Vote of Thanks on the concluding day of the International Conference on the great occasion of TKMCE Golden Jubilee. During the annual family get-together of Thiruvananthapuram Chapter of TEAA, a slot was given to TAGA for felicitation.

I request the members of the incoming Steering Committee to try their best to expand the membership base of TAGA.

I thank you all for the support given by you to the Steering Committee during the past year. I offer my best wishes to the new team of office bearers. Let us support and encourage them to take TAGA to newer heights in the coming year.

Thanking you,

Yours sincerely,

N. Manilal,
Chair Person (Outgoing)
